

New Zealand
EWE HOGGET
Competition

SHEEP FARMERS

Do you need a challenge?

The annual Ewe Hogget competition identifies the top farmers and rewards excellence. Now in its 23rd year the competition's objectives is to select flock replacements that are likely to be most productive and profitable over their lifetime.

Why enter:

1. Your aim is to become the owner of the NZ Supreme Championship Hogget Flock
2. Have desire to benchmark hoggets at a local - national level
3. Prizes worth in excess of \$20,000
4. Winners of sections, to be invited to attend the presentation dinner
5. Overall winner to host a Field Day on their property

Entry conditions:

- Entrants must display 90% of replacement ewe hoggets with a minimum of 300 wintered
- Ewe hoggets must be bred by exhibitor
- Ewe hoggets can be woolly or shorn
- All breeders of flock hoggets from commercial sheep are eligible
- National Winner to host a Field Day on their property
- Points awarded: Flock Performance - 50, Phenotype - 30, Breeding Objectives - 15, Wool - 15
- Hogget mating not necessary
